

Introducing the  
SCHOOL OF ENTREPRENEURSHIP at Oklahoma State University

# Discovering the entrepreneur within

Entrepreneurship is a life philosophy that the **School of Entrepreneurship at Oklahoma State University** is committed to spreading through research, classroom introduction and in the field. Through our first-of-its-kind **School of Entrepreneurship**, faculty, students, and staff across the OSU campus have a home for their entrepreneurial ways. We balance a 50-course curriculum with a challenging mix of experiential learning opportunities to create total student immersion.

## The School includes:

- Major, minor, MBA concentration & PhD in Entrepreneurship
- Graduate Certificate Program in Entrepreneurship
- Technology Entrepreneurship Initiative
- Two Student Incubators
- 3D Creative Studio (Makerspace)
- Riata Internships
- Study Abroad Programs
- Startup Weekend
- Arts Entrepreneurship
- Social Entrepreneurship Institute
- Big Idea Pitch and Poster Competition
- E-Club
- Riata Fellows
- Speakers Series
- and much more!

**Come change the world with us!**
