

Active-Duty Military Verification Form

Students who serve active duty qualify for the reduced Spears School of Business Active-Duty Tuition and Fees rate at Oklahoma State University. The reduced tuition and fees rate comes in the form of a scholarship, and applies only to Spears School of Business online learning courses and those who are admitted into an approved online degree program. Note that the Spears Business Active-Duty Rate is subject to an increase for the upcoming academic year (fall, spring, summer). Details of the Active-Duty Military Rate are located on the Greenwood Center for Online Excellence web-page: www.business.okstate.edu/online.
