African American Business Student Association - An organization that will equip you with skills, developmental tools, and opportunities that enable you to be successful throughout your career in any business major of choice. Open to all majors.

American Association of University Women - An organization for advancing equity for women and girls through advocacy, education, philanthropy, and research. Open to all majors as well as undergraduate and graduate students. Meets on the third Thursday of each month at 5:30 p.m. at Hideaway Pizza.

Association of Information Technology Professionals - An organization that helps you develop a better understanding of the nature and functions of technology, study related equipment, promote sound general principles in the field, and study technical methods with a view to their improvement. Open to all majors.

Beta Alpha Psi - An honorary organization for accounting students and professionals that promotes accounting at OSU through interaction with professors and professional organizations. Membership is restricted to accounting majors that have completed Intermediate Accounting I and maintain at least a 3.25 grade point average.

Beta Gamma Sigma - An international honor society serving business programs accredited by AACSB International. Membership in Beta Gamma Sigma is the highest recognition a business student anywhere in the world can receive in a program accredited by AACSB International. Membership by invitation only.

Business News Club - An organization that promotes awareness and understanding of current business and financial news. Open to all majors.

Business Student Council - The vision of the Business Student Council is to partner faculty and students in establishing the Spears School of Business as the premier college at Oklahoma State University, and the mission is to serve the interests of the Spears School of Business while enhancing faculty-student interaction and providing students with leadership opportunities. Application and interview process for selection.

Buy and Sell Club - The Buy and Sell Club is an organization that moves the student from Marketing to actual Sales. The club will hear from real Sales professionals and learn their techniques making revenue real.

Delta Sigma Pi - An international professional business fraternity that instills professionalism and leadership among members, while in a social setting. Open to all business majors, application process for selection.

Economics Society - A club for all students intrigued by economic issues and the economic side of broad issues affecting our nation and the world. Open to all majors.

Entrepreneurship Club - An organization where you can develop your entrepreneurial potential, share your dreams, and collaborate on creative projects. Open to all majors.

Financial Management Association - An organization that provides students interested in finance an opportunity to learn from and network with financial professionals, to communicate their understanding of sound financial practices, and to interact with fellow finance students in an informal setting. Open to all majors.

Free Enterprise Society - An organization designed to help you make a difference in our community and develop leadership, teamwork and communication skills in the principles of free enterprise. Open to all majors.

Freshmen Business Student Leaders - An organization that provides business programs and leadership opportunities to freshmen in the Spears School of Business. Open to all freshman business students.

Human Resource Management Association - An organization that helps members gain the knowledge, skills, and experience necessary to transition into HR or management positions. Open to all majors.

Information Security and Assurance Club - An organization that is open to all undergraduate and graduate students with any level of skill from any discipline. Club meetings are every other week and demonstrate elementary to advanced computer attacks and defenses. ISAC has a dedicated lab off-campus and competes annually in the Collegiate Cyber Defense Competition. ISAC is also a great way to get plugged into the hiring companies as they are often guest demonstrators and have shown a keen interest in supporting and hiring ISAC students. Check out our website at www.isac.okstate.edu

Latino Business Student Association - Latino Business Student Association serves as a platform for students to take advantage of all available resources and opportunities offered within the Spears School of Business to get students career ready for after graduation. The LBSA helps students adapt to life at OSU, Stillwater and the surrounding area in Oklahoma.

Marketing Club - The collegiate chapter of the American Marketing Association. It promotes professionalism in marketing and offers opportunities for you to listen to speakers and to participate in national competitions, service projects, and conferences. Open to all majors.

MBA Association - An organization whose purpose is to assist in building connections between current Oklahoma State MBA students, alumni base and future employers. MBA graduate students only.

Phi Beta Lambda - A nationally recognized organization that provides students with the opportunity to learn developmental leadership skills, to participate in community service, and to compete in interdisciplinary competitive events at the local, state, and national levels.

Net Impact - An organization that inspires, educates, and equips you to use the power of business to create a more socially and environmentally sustainable world. Open to all majors.

Spears Ambassadors - An organization that will allow you to promote Oklahoma State University and the Spears School of Business by attending and conducting recruiting events, having continuous communication with potential business students, and working together to provide a solid foundation of role models to current and prospective students. Application and interview process for selection.

Sports Management Club - An organization that allows you to establish a networking base in the sports industry, learn about careers in sports business, and find out about internship and job opportunities in sports. Open to all majors.

Student United Way - An organization that connects students to Stillwater Area United Way through education, fundraising and service opportunities. Open to all majors.
