\*Offered online

\*\*Subject to availability & course prerequisite of ACCT 5003 (previously offered as ACCT 4033).

\*\*\*Summer offering only. Cannot receive credit at both the undergraduate and graduate level.

+Elective may be taken in spring or summer semester.

<sup>^</sup>Scholarships will be available to assist in covering the costs associated with travel for ACCT 5093.

**NOTE:** Other electives require approval from the MS Coordinator.

**NOTE:** Beginning with Summer 2020 the MS-Accounting program does not accommodate spring or fall internships, although we will work with individual students who have documented acceptance of an internship (as of September 15) to design alternatives.

**NOTE:** Students who have already taken ACCT 5003 for credit as ACCT 4033 or a course equivalent at another institution may substitute an elective for ACCT 5003. The elective must have an ACCT prefix if in the DAS of CF concentration.
