*Offered online
**Subject to availability & course prerequisite of ACCT 5003 (previously offered as ACCT 4033).
***Summer offering only. Cannot receive credit at both the undergraduate and graduate level.
+Elective may be taken in spring or summer semester.
^Scholarships will be available to assist in covering the costs associated with travel for ACCT 5093.
NOTE: Other electives require approval from the MS Coordinator.
NOTE: Beginning with Summer 2020 the MS-Accounting program does not accommodate spring or fall internships, although we will work with individual students who have documented acceptance of an internship (as of September 15) to design alternatives.
NOTE: Students who have already taken ACCT 5003 for credit as ACCT 4033 or a course equivalent at another institution may substitute an elective for ACCT 5003. The elective must have an ACCT prefix if in the DAS of CF concentration.
