**Description of Course Requirements**

**Lectures**  
Students are expected to view all lectures for the course. Lectures may be augmented with video and news clips as well as media articles and other materials. Links or materials will be posted on D2L under the news tab. Please contact me via email if a link is dead or a file does not work, etc.

**Exams**  
There are 2 exams for this course (all 50 questions). Here are your exam options.

1- You can take it live, in person, with me, if you are in Stillwater. See schedule for times, dates, location on campus. If you take it live with me it will be a paper exam so you will need to bring a green scantron and #2 pencil. I offer this option only as a convenience- it is absolutely NOT required to be on campus for the exam!

2- You can take it at a proctor site. This can be on campus in Stillwater, Tulsa, OKC, or almost anywhere in the USA. We have agreements with many test centers and other colleges. The proctored exams will be on a computer. You will need to fill out a student form and test form online here-  
https://spears.okstate.edu/distance/forms/studentform/

Make sure to be aware of any test center fees ($) that often apply for their service.  
Test centers: Stillwater, OK- Wes Watkins Center (405) 744-6390  
Tulsa, OK- OSU Tulsa testing center; (918) 594-8232  
Also OSU OKC, and University Testing and Assessment available.

*For more information about the testing and proctoring procedure, contact the Distance Learning office at (405) 744-4019 and see http://spears.okstate.edu/distance/guide/procedures/*

**Test #1**- 50 multiple choice/matching questions covering the first half of the class topics (see schedule for exact break point).

**Final exam**- 50 multiple choice/matching questions. The final will be comprehensive but will have more questions on it from the 2nd half of class than the first half.
**Project Assignment (30% of your overall grade): DUE MONDAY before final exam, see schedule!!**

The project will be an in-depth analysis of a team or sport of your choosing (examples have included the Boston Celtics, Florida State football, surfing in Hawaii, cricket in India). Email me for approval of your topic! You cannot report on a team that I directly lecture on in class (Green Bay, Manchester United, etc.).

*You will develop your report using Powerpoint. Use bullet points on slides. Put any notes you need to provide more depth below each slide in the notes section.

*You will need to gather information from several sources, including internet news reports, official team web pages, printed newspaper and magazine articles, and books. Do not cite Wikipedia! Make sure you have legitimate sources from several formats (not just a team blog or web page).

*Deliverables: Upload your ppt presentation on D2L in the dropbox. Due date is on the schedule. (about 13-20 slides: the final slide should list your references)

**Project sections:**

A- Team/sport overview and history

B- Fan report (take me inside the fan base, unique fan cultures or behaviors, rivalries, etc.)

C- Economic Impact: Local communities, stadium situation, financial reports

D- Marketing: Recent team marketing initiatives, promotions (tickets), public relations events

E- Sponsorships: Who are the team sponsors? How are they activating the sponsorships?

F- Web page/media: Analyze the team web page and/or social media. Any ideas for improvement?

G- Other/Summary: Review key points. Discuss future challenges and opportunities on the field and off the field.

**Make-up Policy**

Students are expected to take each exam in the dates listed and submit the assignments in a timely manner. If for any reason a student cannot attend an exam or submit an assignment, he or she must notify the instructor prior to the examination. All late assignments and exams lose a letter grade per 24-hour period following the due date, unless the instructor has granted prior approval for late submission of an assignment. Approval for late submissions must be obtained from the instructor in advance, or be based on a documented medical emergency.
